Final Exam		_____		
TOTAL	_____	_____	Pilot Testing is used to determine the amount of time a typical CPA seeking CPE credit would take to complete a course and attain sufficient content mastery. CPE credits for Pilot Testing will be issued after we assess all the Pilot Tests for this course. Usually, you will receive the FREE CPE credits within 4 to 6 weeks after you complete the Pilot Test. Your candid feedback is much appreciated. Thank you!	Other Comments

By signing my name below, I state that I am independent of the group which developed this particular course. The sponsor did not notify me in advance of the length of time this course was supposed to take. I will also include a brief resume, which supports my qualifications to be selected as a participant in the pre-testing / content review for this course.

My Experience level with the course's subject matter: Extensive ___ Moderate ___ Limited ___ None ___

CPA / EA License # _____ State of License _____ Signature _____ Review date: _____
